

## When We Gather

©2021 Susan Ellenton SOCAN

Imagine a summer Sunday afternoon,  
beautiful tables all laid out in the shade by a cool lazy river

2x Chorus: Where we gather. When we gather.  
When we gather together again.

When we gather at the holiday table  
oh Mary will you set by me, oh oh Billy won't you set by me

2x Chorus (as above)

Sun on sparkling *water water water*  
into the glasses down the line, *down the line, down the line*  
never run empty when we pour  
from the humble jug oh this heart of mine yearns for

2x Chorus (as above)

When we gather at the holiday table  
oh Mary will you set by me, oh oh Billy won't you set by me  
Grandad stands behind his chair  
and he won't sit down till everybody is there

3x Chorus

Tag: Together again, together again, together again.
